REPORT ON FEEDBACK ANALYSIS

2018-2019

Navarasam Arts and Science College For Women, Arachalur

(Affiliated to Bharathiar University Coimbatore)

Erode-638101, Tamilnadu, India

Introduction

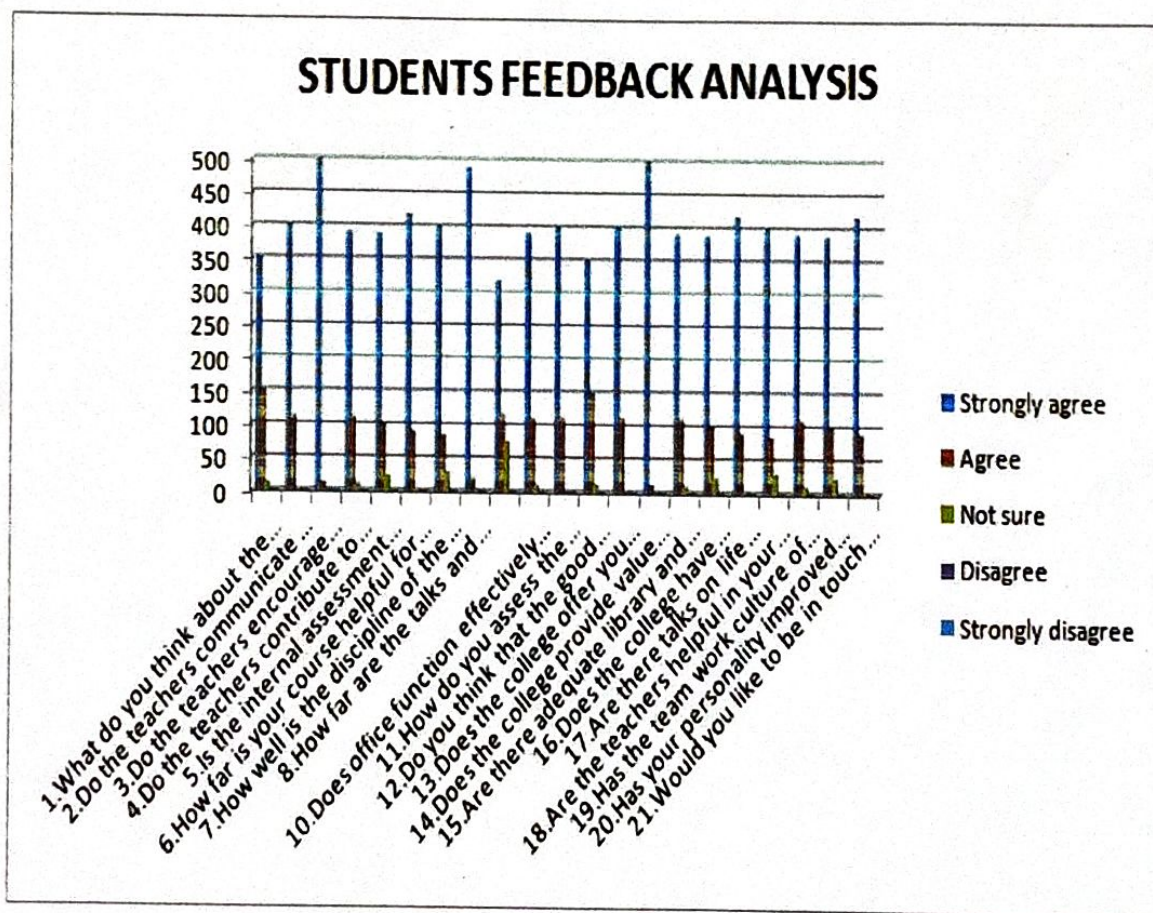

Feedback is an essential element of the learning process. The College collects the feedback on various aspects and courses from different stakeholders such as the Students, Alumni, Faculty, Employers and Parents. The feedback collected from the individuals has been analyzed and taken to the consideration for the development of the College, teaching learning process and environment.

Students' Feedback

The Students' Feedback on the Institution and teaching learning process at Navarasam Arts and Science College For Women campus is designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery, as well as student learning experiences. For the academic year 2018-2019, students' feedback is sought from around 512 students who responded about the institution and teaching learning process. Majority of the student population (66%) agreed that the subject taught in the course is satisfactory and the majority (58%) agreed that the teachers communicate the subject effectively. Majority of the student population (44%) agreed that the teachers encourage the student participation in class and the majority (55%) of the student population agree that the teachers contribute to their personality development. Majority of the student population (46%) agreed that the course is helpful for higher education and employment and the majority (57%) agreed that the discipline of the institution was maintained. Majority of the student population (53%) agreed that the opportunities for sports and other extracurricular activities is good and the office function effectively in fee collection, Examination work etc., Majority of the student population are satisfied with the Library, hostel and Canteen and leisure bower. Majority of the student

population (55%) agreed that the college offers chances for social service through NSS and Outreach programmes etc., and the majority (60%) of the students in the college provide value education through tutorial classes, talks, seminars, orientation etc., Majority of the student population (64%) agreed that there are talks on life guidance, Career guidance and Placement in the college. Majority of the student population (57%) agreed that the team work culture of the college helped the students to become better citizens and the majority (60%) of the students like to be in touch with the college even after they leave it.

Feedback Analysis Report

The analysis of the students' feedback clearly depicts that they are well satisfied with the facilities furnished by the institution. The students highly appreciated the academic related infrastructural

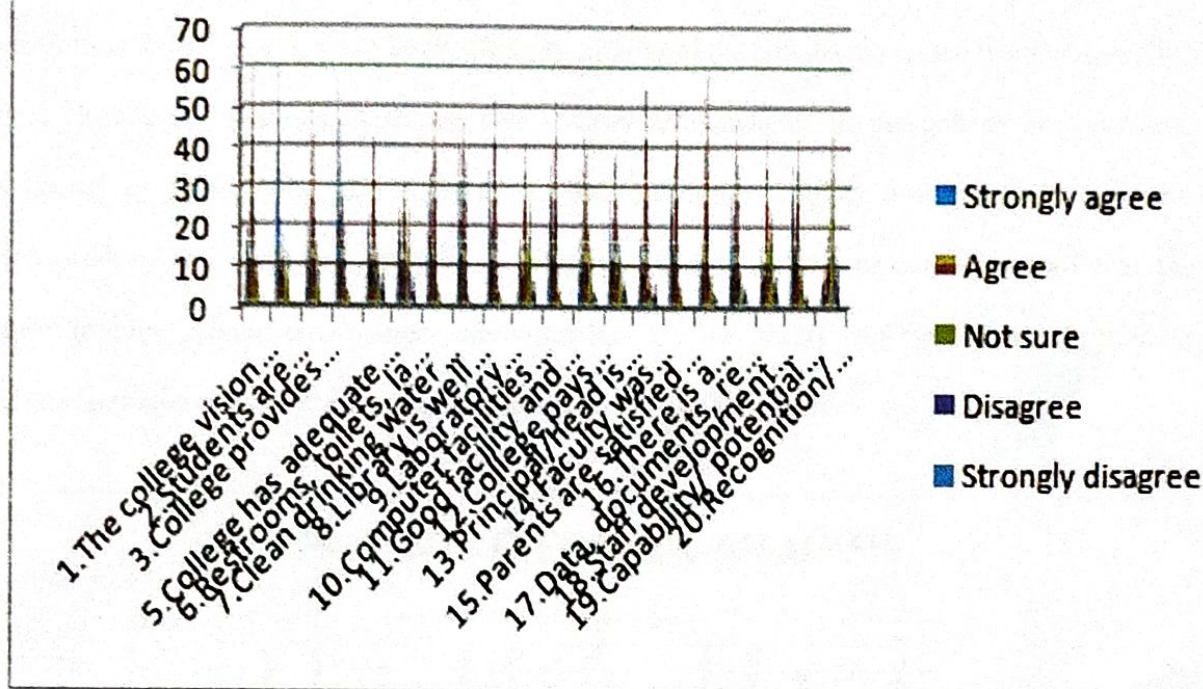

facilities such as library, laboratories, playground and other facilities. It is observed from the students' feedback that the satisfaction level of the students is less in the area of the helpfulness of their seminars and talk shows regarding the value of education and job awareness.

Teachers' Feedback

Feedback on various aspects of instructional resources and academic content is sought from around 95 faculty members of Navarasam Arts and Science College for women.
